

Club Umpire – Match Day Reporting

Where NO official EDFL umpires have been allocated and Club (parent) Umpires are being used, there is post game Match Day Reporting that must be completed.

The HOME TEAM Club Umpire is responsible for completing the EDFL online Match Day form after the game via the below link:

<https://docs.google.com/forms/d/e/1FAIpQLScnA7X8eipTwbQmHHy40DiZLoS9ipPh2SzE9DEngmqTxaFsiQ/viewform>

The HOME TEAM Club Umpire will be required to:

1. Enter the final scores for both teams
2. Upload a photo of the Timekeepers Scorecard
3. Upload a photo of the Home Team Sheet
4. Upload a photo of the Away Team Sheet
5. Complete Behaviour Ratings for both the Home and Away Teams
6. Submit League Best & Fairest votes (3, 2, 1)
 - 3 votes = Best player on ground
 - 2 votes = Second best player
 - 1 vote = Third best player

Best & Fairest Votes

As part of the online Match Day Reporting, the Club Umpires are required to submit Best & Fairest votes for the match (3, 2, 1). The two Club Umpires should work together after the match to agree on the Best 3 Players and complete the voting section together.

The umpire will need to enter:

- Player team
- Jumper number
- Full player name

Please note:

- These votes are for the EDFL League Best & Fairest Award and are separate to each club's internal team votes.
- Votes are to be awarded to the best overall players on the ground from BOTH teams, not just players from your own club/team.
- Umpires should award votes to the players they believe had the greatest impact on the match, regardless of which side they played for.

The Team Manager should also take and retain photos/copies of the submitted paperwork:

- Timekeepers Scorecard
- Home Team Sheet
- Away Team Sheet
- List of 3 players awarded Best & Fairest Votes

These should be retained for any future reference, follow up or league enquiries if required.

Below are screenshots/examples of the online reporting form:
